Mr. Hackman with the LSPA may be able to assist you in getting an e-copy.

Please be aware that this presentation was very focused and I did not go into the entire rule. The last presentation I did on the entire rule was a full one-day effort and my presentation to the LSPA was a little over an hour.

Kim,

I understand you recently made a presentation on regulation of PCBs under TSCA. I was interested in obtaining a copy, if possible.

Thanks,

Ned
